

Light of the World

PARISH RETREAT

Testimonials

I attended the LOTW retreat with my husband. I always had the feeling that everyone else at Church was so much "Holier" than I was, like I just didn't belong or fit in with the rest of the people at Church. While attending the retreat and after, I have learned so much about myself. I learned that those "Holy" people have just as much uncertainty and longing for a relationship with Jesus as I do. I have made so many friends. It has strengthened my marriage immensely. We have talked about our faith as a couple and the communication is amazing. I have been nudged by the Holy Spirit to give the gift of life to someone else by becoming an organ donor. I now do not only pray for myself and my immediate family, but many others. I feel like I have had a very blessed life and I want to spread that blessing with others through prayer, service, and teaching.

The Light of the World retreat was absolutely fabulous. The speakers were wonderful, very truthful, kind and engaging. I felt such a close and peaceful connection to Jesus. I cannot wait for the next retreat!
